Students **MUST** be aware that actions could drastically affect their life far into the future and commit to being...

Aware Of Social Media Dangers & Consequences: You must be cognizant of what you post, like, dislike and comment on. Social media is an extremely dangerous weapon.

Brave In Behavior: If you see something, say something. If you hear someone, tell someone. Being brave isn't easy but it's **YOUR** responsibility to share with an adult.

Volunteers In Their Community: It's not hard to be selfless and kind. There are many local organizations seeking students to volunteer and assist their cause.

Leaders In Anti-Bullying: Bullying is an unacceptable behavior has become a real and tragic epidemic in our society. Do **NOT** be part of the problem – **BE** the solution.

This is not only about being prepared in high school...it's about being prepared in life!
