WE WANT TO HEAR FROM YOU!

Community Forums

The Board of Education of the Croton-Harmon School District will be holding open forums and conduct an online survey to hear from the community members about the type of leader they would like to see as the school district's next Superintendent. Parents, retirees, homeowners, business owners, longtime residents and recent arrivals are invited to attend the meetings and/or complete the online survey.

If you wish to complete the survey, please go to www.chufsd.org and click on the Superintendent Search tab on the main page of the website.
