

Welcome to Board Briefs, in which we summarize key agenda items from prior Board of Education meetings and address topics that were brought to the Board's attention. Full meeting minutes are typically not available until reviewed and approved by the Board at a subsequent meeting, but we hope that this summary of key items from the previous meeting will 'keep you in touch' with the notable actions of the Board. As always, our community is encouraged to attend our meetings. We welcome your questions and comments.
