September 1, 2016 Board of Education Meeting

### **Welcoming New Employees**

The meeting began with a special welcome and reception for the district's new employees and their family members. The Board also took the opportunity to welcome all students, parents, teachers and staff to the 2016-17 school year.

### **Community Safety Initiative Presentation**

Representatives from the school district, Village of Croton-on-Hudson and Croton-on-Hudson Police Department shared a presentation about a new community safety initiative. The district and village are partnering in the effort to make the village's roadways safer for pedestrians, bicyclists and drivers. There are two parts to the campaign: the district will focus on working with its students, parents and staff under "Safe Routes to School," while the village rolls out "Slow Down Croton."

*The Board's next meeting is a regular meeting on Thursday, September 15 at 7:30 p.m. The Board expects to hear from the district auditor during that meeting.*

*There will be a community informational meeting for the bond vote on Thursday, October 6, followed by the bond vote on Tuesday, October 18.*
