

Welcome to Board Briefs, in which we summarize key agenda items from prior Board of Education meetings and address topics that were brought to the Board's attention. Full meeting minutes are typically not available until reviewed and approved by the Board at a subsequent meeting, but we hope that this summary of key items from the previous meeting will 'keep you in touch' with the notable actions of the Board. As always, our community is encouraged to attend our meetings. We welcome your questions and comments.

Board President Giuseppina Miller, on behalf of the entire Board of Education and district administration, welcomed everyone back to a new school year. The Board thanked the custodians and support staff for all their hard work this summer in working with contractors and to clean the buildings so the facilities were ready for the first day of school.

The Board reminded parents that Back to School nights will be conducted throughout the month of September. The evenings are a great way to meet the teachers and staff!
