

Our parent portal contains report cards, STAR Assessment results and 3<sup>rd</sup> and 4<sup>th</sup> grade NYS Assessment results. In our ongoing efforts to make information easily accessible while being environmentally mindful, we have moved to a paperless reporting system.

If you would still like to request a hardcopy of reports, please contact the Main Office in writing.

If you already have a Portal account, then you don't need to do anything.

**For new users, to register for the online parent portal:**

- Go to the district website (<http://www.chufsd.org>).
- At the top of the screen, select the tab Students/Parents. On the dropdown menu, click on eSchoolData Parent Portal. You will need your child's identification number to complete the registration process. (This can be found on a previous report card or email [parents@chufsd.org](mailto:parents@chufsd.org) for ID#).
- Click on the link "Login Screen"
- When the login screen opens, click on "Online Registration"
- Follow the directions to complete steps 1-3.
- A confirmation email will be sent back to you once your account request has been approved by the school district to the email address listed on the registration form.

We hope you register for the portal and support our efforts to be more environmentally conscious. If you are in need of support, please email your contact information to [parents@chufsd.org](mailto:parents@chufsd.org).
