**Mark R. Maxam**  
Assistant Principal

August 2018

Dear CHHS Students and Parents/Guardians:

On behalf of the faculty and staff, let me be the first to welcome you to the 2018-2019 school year.

Mr. Maxam and I, along with the secretarial and custodial staff, have been busy preparing for a smooth and successful opening of school. The first day of school for all students is **Tuesday, September 4, 2018**. Enclosed is a copy of our special bell schedule for the first day of school. The BOCES tech program will begin on Wednesday, September 5, 2018. Freshmen, along with their Big Buddies, will come to school at the regular morning starting time. Regular bus service will be available that morning. So that we can offer this brief orientation, we ask that sophomores, juniors and seniors who are not serving as Big Buddies, arrive at school by **10:00 AM**. Those upperclassmen taking the bus will be picked up as if we were on a 2-hour delay. Upon arrival upperclassmen should report directly to their CHAP groups. They will receive their CHHS Planners at this meeting.

After meeting in CHAP groups, our entire school will come together in the auditorium to meet our new faculty and receive some welcome back remarks, as we officially kick-off the 2018-19 school year. At the conclusion of the assembly, we will follow an **abbreviated A-Day** schedule.

**Please note that all required forms and other grade level information are available electronically by going to the high school website <http://www.chufsd.org/Domain/298>. Please review each document and return those requiring a signature to the main office.**

A new school year offers exciting opportunities to start fresh and begin anew. As you're enjoying these final days of summer, take a few moments to reflect on the past year and to begin to think about what you hope to accomplish and achieve in the year ahead. We're here to welcome you and assist you. I am excited about the new school year and anticipate a great one for all of us.

Sincerely,

Alan J. Capasso  
Principal

Mark R. Maxam  
Assistant Principal
