

NOTIFICATION OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

5500-E.1

Dear Parent or Eligible Student:

This is to advise you of your rights with respect to student records pursuant to the Family Educational Rights and Privacy Act (FERPA). FERPA is a federal law designed to protect the privacy of student records. The law gives parents and students 18 years of age or older (referred to in the law as “eligible students”) the following rights:

1. The right to inspect and review the student’s education records within 45 days of the day the district receives a request for access.

Parents or eligible students should submit to the Building Principal a written request that identifies the records they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading.

Parents or eligible students may ask the district to amend a record that they believe is inaccurate or misleading by writing the Principal, clearly identifying the part of the record they want changed and specifying why it is inaccurate or misleading.

If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel), a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance

committee, or assisting another school official in performing his or her tasks. Additional exceptions are set for in Board Policy 5500-R.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is actually enrolled so long as to the disclosure is for purposes related to the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA. The Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue SW
Washington, DC 20202-4605

NOTIFICATION OF DIRECTORY INFORMATION DESIGNATIONS

In addition to the rights outlined above, FERPA also gives the school district the option of designating certain categories of student information as "directory information." Directory information includes a name, address, telephone number, date of birth, major course of study, participation in school activities or sports, weight and height if a member of an athletic team, dates of attendance, grade level, degrees and awards received, most recent school attended, class schedule, photograph, email address and enrollment status.

You may object to the release of all of this "directory information"; however, you must do so in writing within 14 days of receiving this notice. If we do not receive a written objection, we will be authorized to release this information without your consent. For your convenience, you may note your objectives to the release of directory information on the enclosed form and return it to the Building Principal.

Sincerely,

Building Principal
