

08-7-2020 K12 Alert - Update

August 7, 2020

Dear Croton-Harmon Families,

As you may have heard, today Governor Cuomo announced that, based on the state's COVID19 infection rates, schools can reopen this Fall. He also restated that he will continue to monitor the state's infection rate leading up to the first day of school. In Croton-Harmon we will continue our planning.

We know so many of you are still affected by the outages due to this week's storm. We are hoping that power is restored very soon. However, based upon restoration forecasts by Con Edison we have decided to postpone the August 10 Community Forum. **The Community Forum focusing on Health and Safety, Facilities, & Transportation will now take place on Tuesday, August 11th at 5 p.m.**

Login information for this session can be found the bottom of this message.

Please note that the August 12 forum on School Learning Plans (*Student Schedules, Special Education, English Language Learners, Arrival/Dismissal, Technology*) and the August 17 forum on Social Emotional Learning Needs, Athletics, and Extracurricular are also scheduled at 5 p.m. and will utilize the identical login information found below.

You are still welcome to submit your questions for our forums. [Please submit questions no later than 1 day before the forum.](#)

Due to power outages, the [Re-opening Survey](#) that was scheduled to close this evening will remain open until Tuesday, August 11th.
