

Update

K12 Alert from: March 15, 2020

March 15, 2020

Good Afternoon Croton-Harmon Students, Parents, Staff and Community,

I hope you are enjoying this beautiful day with your family. I just wanted to take a moment to reach out and reiterate a few points from my last email:

- The Croton-Harmon School District is closed on **Monday, March 16 and Tuesday, March 17**. As I indicated in my last communication, we should be prepared to have that extended.
- All families should prepare for an extended school closure. In an extended school closure we would provide distance learning for our students and information would be provided at that time.
- We are working to support students who participate in our free and reduced lunch program and will share the necessary information when needed.
- Should you have any specific questions, concerns, or needs, please email your building principal.

It is anticipated that the Westchester County Executive will declare a local state of emergency tomorrow. When I receive more information specific to extended school closures, I will certainly communicate again.

Yours in ***Mission Possible***,

Dr. Deborah O'Connell
