Dear Croton-Harmon Families,

As we continue to explore tools for online instruction, some students may be asked to participate in learning on the Internet in real-time. If you do not want your child to utilize these types of tools, please fill out this [Opt-out Form](#) by Thursday, 3/26. If we do not hear from you, we will consider having your permission to engage your child in real-time online learning.

Thank you,
