

Frequently Asked Question Documents
K12 Alert from: April 22, 2020

Dear Croton-Harmon Families,

With the extension of school closure through May 15, the Administrative Team thought it would be a good time to address some questions. In an effort to provide the information you may be seeking, we have developed a Frequently Asked Question document.

There are two versions of our FAQ which both address the same questions.

- Our [Interactive FAQ](#) is a streamlined document that states the question and provides a link where our team responds by video.
- If you prefer to read through the information, we also have a [Text-based FAQ](#).

We hope you find this information useful. Please don't hesitate to reach out to any of us with any need!

Sincerely,

John Griffiths, Assistant Superintendent
