

07-17-2020 K12 Alert - NYSPHSAA COVID-19 Task Force

Dear Members of the Croton-Harmon School Community:

This message is for parents and athletes that plan to play a fall sport this school year.

On July 16, the NYSPHSAA COVID-19 Task Force released a decision to delay the start date for fall athletics from August 24 to September 21.

In this statement, the Task Force outlined regulations for team practices, event scheduling and other possible season scenarios in the event the fall season is interrupted.

The start of the fall season is still contingent on the Governor's decision for schools to reopen in September.

The press release can be found on the [Croton-Harmon athletic website](#) under NYSPHSAA COVID-19 TASK FORCE.

I will continue to update you this summer with our athletics plans for re-entry.

Sincerely,

Michael Gulino

Interim Director, Health, Physical Education, Wellness, Athletics

Croton-Harmon High School
