

1-18-2022 K12 Alert - Rapid Test Distribution at CHHS

January 18, 2022

Good Afternoon Tigers,

As a reminder, we will be hosting our third COVID-19 Rapid Test distribution, in the rear entrance of the High School, today from 3:30 p.m. to 5:30 p.m. Parents and guardians who are interested in picking up rapid tests can do so during that time period. The tests will be distributed for at-home administration, as supplies last. At-home administration is very simple, [as you can see in this video](#). Parents and guardians who intend to pick up these rapid tests will need to produce identification and will be provided with a rapid test for each child in the family who is of school age. Upon arrival at the High School, parking will be available in the back of the building. If you picked up a test kit during last week's distribution, you are still able to pick up new tests this week.

Thank you for your ongoing support of our students, staff and schools.

With Tiger Pride,

Stephen Walker

Superintendent of Schools
