

Croton-Harmon Union Free School District

Introducing the **PARENT PORTAL**

What is the eSchoolData Parent Portal?

The Parent Portal is designed to:

1. Provide parents with easy on-line access to all of their students in the Croton-Harmon School District.
2. Provide parents with on-line access to their student's progress reports and report cards.
3. Allow the school the ability to distribute messages to parents.
4. Gives parents another reason to visit the school website and stay informed.

You will be able to access the Parent Portal by visiting the front page of our school website <http://www.croton-harmonschoools.org/> and clicking on the Parents tab on the left hand side of the website OR by going directly to <https://esdparentportal.lhric.org>.

If you cannot login or need any additional assistance, please email parents@chufsd.org. Our help desk responds to these emails on school days, Monday through Friday between the hours of 8am and 4pm.
