**INSTRUCTIONS FOR FILING OF EXPENDITURE STATEMENTS
BY CANDIDATES FOR MEMBERSHIP ON BOARD OF EDUCATION**

New York State Education Law Article 32 states: “Any candidate for election to the Board of Education shall file sworn statements with the Clerk of the School District in which he/she is a candidate and the Commissioner of Education setting forth all moneys or other valuable things, paid, given, expended or promised by him/her, or incurred for or on his/her behalf with his/her approval to be filed with the aforesaid clerk and commissioner by a person, firm, association or corporation, to aid his/her own nomination or election, or to aid or influence the nomination or defeat of any candidate to be voted for at the election. Any candidate for election, if he/she expended nothing or his/her only expenditures were for personal expenses which when taken together with the total expenditures incurred by others on his/her behalf and with his/her approval do not exceed five hundred dollars, shall not be required to file any statements with the Commissioner of Education; however, such candidate shall file with the Clerk of the School District a sworn statement to the effect that his/her election expenditures did not exceed five hundred dollars.”

“No person or persons shall make expenditures on behalf of a candidate without his/her approval unless such person or persons file a sworn statement with the Clerk and Commissioner stating that the candidate did not approve such expenditure. Such expenditure shall be limited to twenty-five dollars as set forth in (above) paragraph.”

“For purposes of this section, personal expenses shall include only payments for traveling expenses and expenses incidental thereto, for writing, printing and preparing the transmission of any letter, circular, or other publication not issued at regular intervals, containing a statement of the position or views of the candidate or person upon public or other questions, for stationery and postage and for telegraph, telephone and other public messenger service; but all such expenses shall be limited to those which are directly and personally incurred and paid by the candidate.”

1. The schedule for filing the statements prescribed above shall be as follows:

*a. The **first statement** shall be filed on or before the thirtieth day preceding the election to which it relates (**May 11, 2020**);*

*b. The **second statement** shall be filed on or before the fifth day preceding the election (**June 4, 2020**);*

*c. The **third statement** shall be filed within twenty days after the election (**June 29, 2020**).*

2. Each statement shall cover the period up to and including the day next preceding the day herein specified for the filing thereof.

3. It is not necessary to itemize the data previously reported in any prior statement. But each statement must include a summary of all expenditures and contributions and other particulars reported in any previous statements.

4. A statement shall be deemed properly filed when deposited in an established post office within the prescribed time, duly stamped, registered and directed to the Clerk of the School District and to the Commissioner of Education. In the event it is not received, a duplicate of such statement shall be promptly filed upon notice of the school district administrative officer and/or the commissioner of its non-receipt. Each statement shall be preserved for a period of three years from the date of filing and shall be considered part of the public records and shall be open to public inspection.

In accordance with Sections 1528 and 1529 of the Education Law, as recently revised, all candidates for member of the Board of Education must file **three** campaign expenditure and contribution statements.

- The first statement is due on or before the 30th day before the election
- The second statement is due on or before the 5th day before the election; and
- The third statement is due within 20 days after the election.

If a Board candidate expends and/or others expend on his/her behalf less than \$500, and the aggregate amount of contributions to the candidate does not exceed \$500, a sworn statement to that effect must be filed with the District Clerk.

If a Board candidate expends more than \$500 or receives more than \$500 in contributions or loans, a sworn statement must be filed with both the District Clerk and the Commissioner of Education.

If the expenditures and/or contributions are more than \$500, the expenditure and contribution statements must include the following information:

- dollar amount of any contribution or transfer or the fair market value of any item which is other than money; the name and address of the transferor, contributor or person from whom received;
- if the transferor or contributor is a political committee, the date of receipt, the dollar amount of every expenditure, and the name and address of the person to whom it was made; the date of the expenditure(s) and a description of the expenditure(s).

Any contribution or loan that exceeds \$1,000 received after the close of the period covered in the last statement before the election must be reported within 24 hours after receipt. That statement must be completed, signed by the candidate and notarized.

This includes payments for travel expenses, writing, printing and transmission costs of any letter, circular or other publication containing a statement of position or views of the candidate or other person upon public or, other questions, including stationery, and postage, telegraph, telephone and public messenger service.
